

## GENERIC CRAFT GUIDELINES

1. The Society encourages the design and creation of works, using motif, material, inspiration and social commentary drawn from the Australian experience and Australia's cultural diversity.
2. All articles presented for selection or exhibition and sale shall be original and creative in concept and design. The works shall demonstrate a high level of technical skill and present the highest possible standard of craftsmanship at all times.
3. The Society encourages craft workers to make contemporary work. The tone, texture or form may be inspired, for example, by fashion, tradition, colour and pattern, culture, landscape, or a fleeting memory.
4. The Society encourages craft workers to continually assess their work and to research and initiate new concepts, forms, techniques and applications and to disseminate these by sharing information through discussion, writings and teaching.

### Criteria for individual crafts:

#### Works produced shall

- be creative, with contemporary and personal designs
- comply with copyright requirements
- show compatibility of design and material suited to the end product
- have a high standard of finish in construction
- identify the materials content and any limitations on use
- comply with legislation on labeling

#### Labels for articles

swing tags or labels shall show:

- any special directives, ie non porous, dishwasher safe/not safe, microwave safe/not safe, material and care instructions

#### Optional

- a 'Title' as this is an indication to the customer as to how you wish your article to be viewed.
- a photo/explanation of your design inspiration
